

THE 7 HABITS

of Successful Families™

The
Leader
inMe™

- Has your child been talking about **being proactive**?
- Or tells you that you need to **seek first to understand**?
- Or loves how you've been **synergizing** so well together?

Students at Westgate Elementary School have been **learning all these basic leadership principles** that are taught in Dr. Stephen Covey's *The 7 Habits of Highly Effective People*. This school-wide transformation is designed to enhance a student's life skills and workforce readiness.

**Want to learn how to have these same 7 Habits reinforced at home?
Here's your opportunity to dive in!**

Two Westgate parent volunteers are certified facilitators for the 7 Habits of Successful Families. They will lead a series of seven continuous workshops from 7-8:30pm on the following Monday evenings:

Feb 13

Location — Westgate Elementary School

Suggested donation used for a workbook and class supplies — \$20 (collected at 1st workshop)

These workshops are lively, interactive, informative and fun... and will help parents and caregivers learn how to bring the 7 Habits to life in their own homes. Reinforcement from school to home on any subject, including this kind of leadership development, is key.
